PERSONAL STATEMENT

Enthusiastic and optimistic college student pursuing a career in UI/UX design, eager to apply creative thinking and problem-solving skills to real-world projects. Passionate about creating user-friendly, visually engaging, and accessible digital experiences, I am dedicated to learning and improving my craft through hands-on industry exposure. With a strong foundation in design principles and a collaborative mindset, I am committed to contributing value to the team while continuously developing my skills in user research, prototyping, and interface design.
